Portico on front under spire. Plan of portico very unusual. See plan. Interior not seen. Side windows in two tiers (above and below gallery) with paneled spandrel between to give impression of single window. Plan of portico:

ire
mit -
Specie very good; plain sheathed base, capped with 4
pseudo pediments, next stage octagonal with the 4 major
axes slightly projecting, with pediment over-arched,
lowered openings with recessed panels of same shape in
minor axes, next, a truncated octagonal story on a low
base, square openings in minor axes, above tall spire.
Portico supports an entablature and proj. in front of
pediment of main roof. Pastor, Perry Van Dyke.
